

Fredda Angel Lopez Testimony on Healing

Greetings to Brothers and Sisters,

Several things happened for me at the John Cojanis Healing Service. At the time I didn't realize just what was being planted into my spirit. During his teaching though I was greatly impacted when he said, *"Call upon the Name of Jesus for healing. Then keep it up and do not complain at slow results. Fill your heart with joy and soak daily in prayer. Persist!"* One of my problems has been inconsistency. Symptoms will come upon me and my mind will run wild with it. Then little tinges of fear creep in and the enemy gets right in there and magnifies everything! This especially happens at about 3 or 4 in the morning. I have been diagnosed with Valley Fever and two other viruses that I rotate through. Doctors have nothing to offer for this, so I take many herbs and vitamins. Now I have discovered that when the symptoms come, I turn first to Jesus. I also have a new voice in my head that shouts, "STOP," when I want to dwell on anything negative. Guess what? I'm feeling so much better. My eyesight is clearing. My symptoms are diminishing. In fact I don't call them "my" anymore. I call them the enemy's arrows and put the Blood of Jesus on them.

Floods of scriptures are coming forth now too. Mostly about Trust and Faith.

Matt 7:13 "Go your way: and as you have believed so let it be done for you.

Matt 16:17 He Himself took our infirmities and bore our sickness.

Mk 5:36 Do not be afraid; only believe.

Mk 9:23 If you can believe, all things are possible to him who believes .

Jn 6:28,29 Then they said to Him, "What shall we do that we may work the works of God?" Jesus answered and said to them, "This is the work of God, that you believe in Him whom He sent".

Trust Believe Rejoice Always. All honor praise and glory to you Lord Jesus Christ! Amen
